This order form is for email services and marketing data lists and only and becomes a contract upon customer's payment for order. Construction Data Direct agrees to provide services and/or data lists as ordered by the customer. Construction Data Direct does not guarantee monetary results from services ordered and will not be liable for marketing activities conducted by customer utilizing data purchased from Construction Data Direct. Customers who order email services are required to provide written approval of any email created by Construction Data Direct prior to delivery. If email design is created by Construction Data Direct, customer agrees to provide guidance and necessary material including logos, photos, texts, in a timely manner. In consideration of the services provided, the customer acknowledges and agrees to the terms and conditions as herein set forth, and agrees to abide by ALL FCC, Federal, State, City, and ALL other rules and regulations that may be set out by any said authority.
